# HISTORY OF THE COMPANY

Founded in the early 1990s by Mr. Leela Dhar Bhatt, DCEE Security and Facility Management was established with a clear vision: to provide highly trained and reliable security personnel, housekeeping staff, and comprehensive facility management solutions to industries, hospitals, and other institutions. Mr. Bhatt's commitment to excellence and unwavering focus on service quality laid the foundation for what would become a trusted name in the facility management sector.

Over the years, DCEE earned a strong reputation for consistency, reliability, and customer satisfaction. Many of our clients have been with us for over three decades, a testament to the trust and confidence they place in our services.

Following the passing of Mr. Leela Dhar Bhatt, leadership of the company was taken over by his son, Mr. Kapil Bhatt. Upholding the core values and standards set by his father, Mr. Kapil Bhatt brought a renewed vision to the company—embracing modern technology, enhancing training methodologies, and introducing a disciplined, system-driven approach to operations.

Today, under Mr. Kapil Bhatt's leadership, DCEE continues to evolve, delivering high-quality, dependable services with the same integrity and dedication that has defined the company since its inception.
